

SURREY PARK NETBALL CLUB

Surrey Park Netball Club participates in the Waverley District Netball Association on Saturdays from March to December. Fielding 13 teams, from under 11 to seniors, the club enjoyed a very successful season in 2012, capturing 7 premiership titles across the Winter and Spring seasons.

Due to changes to current coaches' work and/or study commitments, several vacancies are available for the upcoming 2013 season:

1. Team Coaches

Would you like to step up and take on a coaching role at SPNC?

Do you know someone who would make a great coach for SPNC?

The role includes holding a training session one night each week through the season as well as coaching the game on game day (Saturday).

The club provides remuneration and provides an accredited coaching course (if required).

2. Assistant Coaches

We also have the opportunity for any of the older girls who wish to begin coaching to join an existing, experienced coach, and team, to 'learn on the job'.

This opportunity will lead to the assistant coach moving onto coaching their own team in future seasons.

Once again you will be funded to attend a coaching program as early in the New Year as possible.

3. Coaching Co-ordinator

We have a vacancy for coaching co-ordinator, the primary responsibilities being:

- Providing support to the team coaches at training and / or on match day as required
- Attend a cross section of games through the season
- Co-ordinate recruiting and training of coaches
- Provide input to the SPNC committee with regard to player team placement and team grading.

Expressions of interest should be sent to surreyparknc@gmail.com or telephone Andrew Toomey (club President) on 0438 536 232
