# CLUB REPORT

## Presidents Report Spring 2012

Andrew Toomey  
President

Another successful season for our club and on behalf of the committee I congratulate all the players that represented Surrey Park Netball Club throughout the season.

We fielded 13 teams in the Spring season – one up from the Winter season. Two under 11's, three under 13's, two under 15's, four under 17's and two open age – seven of the teams participated in the finals. Congratulations go to the five teams that made it through to, and won, their Grand Final – Lightning, Storm, Comets, Meteors and Taipans - you represented your club and yourselves extremely well and we are very proud of your achievements.

We have seen the addition to our committee of some new faces – Sam Clarke-Smith, Vanessa Lovell and Robyn Smith and say thank you and goodbye from the committee to Tamsin Bourke, Gee Clarke, Lisa Clarke-Smith and Tracey Lethbridge. Jane Thomas remains as our club Secretary, as does Kristen Ternes as our Treasurer while committee members Pam Flynn and Jacqui Peters also remain in place.

A big thank you also to all of the Coaches and Team Managers that guided our teams through the year and also to the parents who supported the club on match days and at other times throughout the season.

Our current focus is to develop club policies regarding player grading, team allocation as well as a general club charter. We have also placed information booklets on our website (<http://www.surreyparknetballclub.com.au/>) for coaches and team managers which have been received really well by all.

Of course our primary goal is to maintain a healthy, fun environment for our players and coaches that will enable us to grow the club through attracting new players and retaining our existing players.

Go Surrey!!

# SPNC FAREWELLS: TESSA MURRAY

After 12 years of playing netball for the club I'm unfortunately finishing up this season. They have been amazing years, where I have been lucky enough to have met so many incredible friends and netballers, and played in a number of finals. Netball has been a big part of my life and I'd like to thank all the girls I've played with over the years as well as all the coaches and parents who have helped out, especially Tracey and Lisa, who put up with us each week. Surrey Park has always had such a supportive community and I will definitely miss Saturday netball with the girls.

*When did you start playing netball?*

I started playing netball in grade 5 at aged 11 for Surrey Park (known as Blackburn then) after playing basketball for years.

*What position do you generally play?*

I normally play defence (GD) but enjoy a quarter or 2 having a run around in centre.

*Who do you enjoy playing with?*

I'd have to say Marty because we've played in defence together for so long we've now learnt to expect each others crazy throws after an interception.

*Favourite memories:*

Playing Hazel-Puddle pre-games during our 'intense' training sessions, or playing in one of the many grand finals I've been fortunate to play in with this team.

*Best advice:*

I've received a lot of good advice over the years especially from Tracey. The first to come to mind is 'make sure I always know where my player is while defending, even if you have to be standing right up against them,' or to 'try and catch the ball, instead of batting it away somewhere impossible for a team mate to get to when intercepting.'

# WINTER '13 KEY DATES

<b>DATE</b>	<b>EVENT</b>
Saturday 16 March	Round 1 - Winter '13 Season
Saturday 30 March	No Game - Easter/School Holidays
Saturday 6 April	No Game - School Holidays

Saturday 6 July	No Game - School Holidays
Saturday 13 July	No Game - School Holidays
Saturday 3 August	Preliminary Finals
Saturday 10 August	Semi Finals
Saturday 17 August	Grand Finals
Saturday 7 September	Round 1 - Spring '13 Season

# TAIPANS REPORT

Taipans were graded into Open 3 for the Spring season, with a large playing squad of 10 players. Normally this would not be ideal as it takes team positioning and allocation of equal game time difficult, but when coaching players with an average age of 22 it can be a bonus as they lead busy lives trying to juggle study, part time or full time work and their social lives. In Round 1 against St Roch's Raiders we welcomed new players to the club in Alice Barrow and Alaine Linford who were to become great additions to our team. This first game was also our only loss for the season as we were a bit rusty and adjusting to new style of play with new and fill-in players.

Spring is not a long season, but when the section has two byes, along with breaks for school holidays and Cup weekend, it is a very short season. For Taipans; however, it was very successful. The last game of the rounds was to be extremely important, as a win would see us finish on top of the ladder with a grand final berth guaranteed. A loss would see us fall to second place and faced with a preliminary final the following week without enough qualified players to field a team, as many girls would be unavailable for various reasons and therefore we would have had to forfeit. At the end of the first quarter we were already down by two goals and by half time trailed by a similar margin. By the third quarter the pressure had subsided and we were able to turn around the game and led by one going into the final break. In the fourth we again outscored our opponents to win by the game by four goals, but more importantly securing the grand final spot.

We were to meet St Roch's, our only loss for the season in the grand final. With a hot day predicted and the temperature expected to reach 37 degrees by the mid afternoon game time, it was always going to be touch and go as to whether the game proceeded. All games prior had been played and decided and the weather looked like improving but after several umpires had found a day in the sun too demanding and the temperature not dropping as expected the game was cancelled and Taipans declared the Premiers by virtue of our top position on the ladder. The girls were extremely disappointed, as were our opposition as they felt it was a hollow victory but the health and safety of everyone on the court was the priority of the Association and the appropriate decision made. Despite the team feeling despondent their name will be forever engraved on the trophy at the Spring Premiers for Open 3 in 2012.

I would like to once again thank Lisa Clarke-Smith for her support as Team Manager. I also would like to formally say good bye to Tessa Murray who leaves Taipans, Surrey Park Netball Club and Victoria to take up a position from January in Adelaide as an Osteopath after completing her studies this year. Tess has been one of the oldest and longest serving players, having joined the club thirteen years ago when we were Blackburn Uniting Netball Club. I have been fortunate enough to have coached her for all that time and she will be sadly missed. We wish her all the best in her profession and perhaps one day will return to Melbourne and our club.

# METEORS REPORT

Spring by nature is a mixture of every season of Melbourne weather. For Meteors our Spring netball season was also a mix of playing fortunes. We started our season once again in the top section of Under 17, without one of our regular, long term players Taylah Miller, who had yet again succumbed to a knee injury which required further surgery, thus ruling her out for the rest of the year. Casey Warren-Smith had joined the team in the latter part of winter season, and her height and athleticism proved to be a huge asset to the team, allowing us greater flexibility in our set up.

Unfortunately during the September school holidays Casey became unwell and in the best interests of her health had to limit her physical activity for the rest of the year including a rest from netball. Whilst our playing list was looking grim at times, and on occasions reduced to just a team of six, we were still able to record a number of wins. When available, Anna Smethurst, who was taking the season off from Comets in Under 15, assisted by filling in and playing enough games to qualify should we make finals. It was certainly a gallant effort that Meteors were able to complete the season with only one loss but also for the first time in my time coaching had to walkover a match due to a lack of player numbers.

By the end of the season Meteors were four games clear on top of the ladder, earning the right to proceed straight to the grand final. There was a tight tussle for the next three positions on the ladder before St Doms Diamonds claimed the preliminary final. Despite a successful season on paper, we had only beaten St Dom's by a total of four goals in the two meetings, so headed into the final knowing that we would face a real contest in our quest to take out the Premiership. On a very hot day where the temperature was due to reach 37 degrees by our match time, we arrived at the court with supporters in tow, equipped with wet towels, spray bottles, ice and more importantly an eighth player in Anna Smethurst. Anna was obliging with her role of being our spare in case some of the girls suffered in the heat. We started the first quarter strongly and I clearly remember only making one error which was a good effort, but only lead by three on the score board. After a few changes with our starting seven on the court, we again made minimal errors in the second quarter, but had only extended our lead by a further one goal at the half time break. The first two quarters had been shortened to nine minutes and then eight minutes for the second half. We took the opportunity to bring Anna on as well as resting other players and making some positional changes to share the run positions. It took some time to settle in and St Dom's had pegged back our lead at the three quarter time break; a worrying sign in what is often called the match winning quarter. I was starting to feel a little uneasy with how the game was evolving. For the last quarter we returned to our original positions for most of the starting players, as well as moving and resting some exhausted mid courters. Meteors stepped up their work rate and shooting percentage in the last quarter to overrun St Dom's Diamonds, winning the game 25 - 20.

Congratulations to our players in Meteors who have now taken out five Premierships for the club. A fantastic effort for girls who started playing with the club 8 years ago and have constantly been graded in the highest section of their age group. My thanks once again to Rhonda Miller for her work as Team Manager, with special mention to Tiff Butler who on a number of occasions adequately filled the role in Rhonda's absence. Also thanks to the many parents, grandparents and supporters of Meteors who attend our matches to give positive encouragement to the girls. I look forward to 2013 and the challenge of playing in the Under 19 section and the return of our injured!!

# DIAMONDS REPORT

The girls had another fantastic season this year along with some challenging games. We unfortunately lost Em for the season due to injury but Anita came back in after recovering from her ankle injury. The end of the season lead us to play Camberwell United in the semi final. We couldn't come home with the win but I am so proud of the girl's efforts on the day. They never gave up and kept persisting.

Congratulations to Teagan on MVP for the spring season. You have improved so much since I first met you and you had a star spring season, keep up the good work! Congratulations to Hayley on receiving the coach's award. You are a wonderful team player Hayley and a pleasure to coach. You are always smiling, at the games, training and a very talented player. Well done Hayley and Teagan. You girls have been a pleasure to coach and I have had a lovely time being a part of the team and of the club. You are all so talented and I wish you all the best in the future.

A big thank- you to our team manager Pam Flynn for all your help, support and organisation throughout the season. Pam has been such a great support during my first year at the club, so thank you. Thanks to all the parents for supporting the Diamonds throughout the season.

I have had a lovely time coaching such talented group of girls. You all play with respect, fairness and support one another, which is fantastic to see. You should all be proud on such a fantastic spring season and an overall successful 2012. All the best girls and go Diamonds!

# HORNETS REPORT

The Hornets welcomed three players this season, two new girls, Lauren H and Isabel C and Dani who returned to the team. It took some getting used to calling out to two Lauren's and two Izzy's! The girls had to learn how to play together as a team, learning from each others strengths and weaknesses. This at first was challenging, but as each week progressed, we grew as a team and were able to finish off the season stronger than when we started.

Every game, the girls came with enthusiasm and a willingness to adapt to different positions and game pace.

Unfortunately our efforts did not see us in the finals, but the girls worked hard and are looking forward to coming back next year and getting their Premiers title back.

# JETS REPORT

What a mad season Spring is!  
If it's not boiling hot, it's a bye!

The Jets were regraded after their initial games playing against giraffe-like girls in U/17! Thank goodness, as we then encountered teams who were not only our size but were very much on a par with us skill-wise.

We battled the season out at about 3rd place but slipped out of finals' contention as the season drew to a close. Well done to the Jets who come to games with enthusiasm and for the most part are also there weekly for training which is sometimes tricky around school commitments. Thanks also to our parents who continually turn up to support the girls. Our appreciation also goes to Kylie who has enthusiastically taken on the role of team manager this Spring and has also covered me as coach in my absence.

We say goodbye to Maddie, our new inclusion, who will be a year too old to continue with us next season. Thanks for your work in the centre court along with Mon, Sarah and Tori. Well done to our 'staple' defenders in Ella and Jas and our goalers, Hayley, Jess and Sophie. A BIG congratulations must go to all girls who, across the season, were asked to play outside of their comfortable positions to cover absences and rotations. This is an important part of being in a netball TEAM.

Finally, a special mention to our MVP and Coach's Award recipients. Sarah deservedly received the most votes as MVP. She constantly provides drive through the centre court but is also willing to slot into goals and defence when the team requires. Jess, our Coach's Award winner gives constantly to the team and is a supportive and hardworking Jet!

Go Jets!

# COMETS REPORT

The Comets had a fantastic spring season! We had only one loss for the entire season and a convincing 16-6 grand final win. It was great to have Meg G and Maddie join the team this season and they fitted in beautifully. All the girls impressed each week with their determination and hard work. It was wonderful to have such depth and strength across all areas of the court. The girls showed great flexibility to play well with a variety of combinations. The versatility of Nicola, Maddie and Georgia in the defence end made it very difficult for the opposition to score. Their ability to read the play and rebound made life tough for the opposition goalers who rarely got a second chance. Billie, Mia and Emily impressed with their speed, determination and ability to play all 3 centre court positions. All three girls showed great court awareness and provided many strong leads through the centre court and delivered the ball well into attack. In goals we had great flexibility with Meg G, Tara and Meg G working well together. The girls really started to understand each other's style of play and this resulted in some fantastic passages of play in the circle.

Congratulations to all the girls for another wonderful season together and best of luck to Mia and Billie who have basketball commitments for next season.

Thanks again to all the parents for their continued support. A special thank-you to Anna for assisting with coaching whenever required and to our super organised team manager, Robynne.

Go Comets!!

# STARS REPORT

The Stars had another great season with the new and old players fitting together straight away.

Although it was a short season, the girls improved and started to move more towards having set positions and improving on their own roles in the game.

Again, we just missed out on finals and finished 4th which is a great result. The girls are beginning to play good netball and applying what they know to the game. I wish them the best of luck for next season.

I'd like to thank the parents for being so supportive and also Josie Collins for being ever helpful as team manager.

# STORM REPORT

With a combination of players from Cyclones and Asteroids, the newly formed Storm were all super excited for the commencement of the spring season. There were a few nerves and hardly any sleep the night before the first game, but once the umpire blew her whistle, the nerves soon disappeared and the girls played as though they'd been playing together for years combining beautifully to record a 48 to 2 win!

I took the opportunity over the next few games to give everyone a run across most areas of the court. Seeing the look of delight on Maddy Thomas's face was priceless when handed the centre bib being a 'bookend' most of her life, Maddie Currie jumping on the shot in Goal Keeper was also a sight to see and George got to have plenty of shots for goal when given her opportunity, as she was very good at rebounding!!

After 3 convincing wins, we were upgraded 3 sections in order to push us further and whilst there were some closer contests, we rose to the challenge brilliantly and went through the season finishing on top of the ladder.

Lloyd St Leopards were our opposition in the Grand Final and as we had only beaten them by a goal after the siren during the rounds, we knew they'd be hungry and we'd need to bring our best performance. The fact that we'd also lost to the bottom side the week before was playing on the girl's minds and there were plenty of nerves.

We got off to a slow start and didn't score a single goal in the first quarter due to the hot and windy conditions that we found difficult to adjust our game to. However, after a quick debrief at quarter time and a few positional changes, we lifted and were back in the game and level at halftime much to the delight of the huge crowd on the hill!

The third quarter saw us go down by 3 and after slipping a further 2 goals down in the first couple of minutes of the last quarter, we knew it would take something special to recover. The girls then stepped up, pulled in some sensational intercepts and with skillful court play, scored the next 5 unanswered goals to draw the game on the siren.

From there, the game was theirs. They confidently played out the extra time, denying the other team any chance to score and finished winning by 3 goals.

It was an amazing and deserving victory and I was proud that they never gave in, continued to encourage each other and fought to the very end.

A big thanks must go to Tammy Currie for her sensational managerial skills and to all the parents for their wonderful support.

Congratulations girls on a super season!!

# LIGHTNING REPORT

The Lightning girls had a very successful Spring competition. This was the first season many of the girls had the opportunity to play together however this never stopped them. The group worked very well together. They were even in strength across all areas of the court, which allowed the girls the opportunity to try a variety of different spots to help them develop their teamwork and understanding of the game.

The girls had a fantastic season finishing undefeated for their section in under 13s and headed straight through to the GRANDFINAL. The girls won very convincingly against the SACC Cyclones 17-4. The girls played a great game and demonstrated how far they had come as a group

Lightning have been a successful group of girls and it has been a pleasure to coach such a great group! Congratulations to Tori Huggins on receiving MVP and Chelseas Wilby my Coaches award. The girls should all be congratulated on a fantastic season!

I would like to thank the parents for all their support at training and on game day. I would also like to thank my fantastic Team Manager Julie Toomey for all the support she has given me and always keeping us all well informed and on the right track.

# THUNDER REPORT

Spring season was a great season for Thunder. I began coaching some of these girls when they first started at the club and they have grown into great netballers.

We welcomed 3 new players into the team who fitted in with the rest perfectly, and as the season went on the girls really got a feel for the court and worked together well as a team. Unfortunately after proceeding into the finals series, we were knocked out of the first semi, but the girls had a tremendous season and it was a pleasure coaching such a wonderful, well mannered, happy-go-lucky girls.

I would like to thank both Maria and Linda for the amount of work they put into managing and organising Thunder each week. They did a lot in helping me through the season and i thank them greatly for that.

Also, a great thank you to the parents for their support. Each week the girls had a great cheer squad behind them which was great in encouraging the girls. So thankyou to the parents for giving up your time. Also thanks to all the girls in Thunder.

Thankyou for a great season.

# GALAXIES REPORT

The girls have worked well this season and through out the year. They have all improved a great deal and seem to be enjoying playing.

Their skills in defense and work in the circle has come a long way this season. Their ability's in passing and running to space are also continuing to improve.

The two new girls entering into our team have learnt so much this season. I am so proud of the progress they have made and are both on their way to being great netballers.

I have enjoyed working with my girls this season and hope they continue to keep up their positive attitude, great teamwork and sportsman ship and their love for netball.

# SATELLITES REPORT

The Surrey Park Satellites had a fun and exciting spring season of 2012.

With the addition of two new players this season, the girls warmly welcomed them and we continued to share around the positions improving versatility and having lots of fun doing so.

We had a good season overall, enjoying winning and bouncing back from the losses.

Among all the giggling and gossiping at the weekly monday training sessions the girls really worked on playing as a team and applying skills.

It has been a pleasure coaching the Satellites once again, and we would like to thank the parents for bringing the girls to training and supporting them at games. Also a big thankyou to Tash our wonderful team manager who has kept the team very organized all season.
